Our Pricing

We are required by law to publish a CMA standardised price list which you will find elsewhere on this website.

However, we know from experience that each family will have their own special needs for the funeral of their loved one, and quite rightly so.

To this end, we note below some guide prices for your information:

Unattended cremation £1627

Off Peak Cremation £2785

Simple Cremation £3084

These prices include the supply of a veneered oak coffin and the third party costs of a doctor's fee for the cremation certificate, crematorium charges and a funeral celebrant.

Optional extras to the above can include a limousine, order of service cards, webcasting, flowers and newspaper notices. These will be of your choosing and prices will gladly be given upon request.

For your peace of mind, our NAFD code of practice requires us to provide you with a bespoke estimate for your approval prior to the funeral taking place.

Burial Costs P.O.A

These can vary considerably depending on the churchyard or cemetery chosen for same.

PLEASE FEEL FREE TO CONTACT US IF YOU HAVE ANY QUESTIONS.
